**Announcement**

Fiscal policy and fiscal-monetary policy interdependence are central for the macroeconomic stability of South Africa and its future development and growth. The *South African Macroeconomic Network* (SAMNET) announces an international workshop to explore current research in the area. South African and international researchers are invited to submit papers **strictly** related to the topic of the workshop.

Keynote speaker: **Eric Leeper**, *Paul Goodloe McIntire Professor in Economics at the University of Virginia, Research Associate at the National Bureau of Economic Research, Director of the Virginia Center for Economic Policy at the University of Virginia and an external advisor to the Swedish central bank, and a member of the Research Council of the Bundesbank.*

**The deadline for paper submission is the 4th of June 2021.**

Please email [romain.houssa@unamur.be](mailto:romain.houssa@unamur.be) and [nicola.viegi@up.ac.za](mailto:nicola.viegi@up.ac.za) for paper submission.
