

**WEBINAR**  
**Public Economics Series**

The ERSA Public Economics webinar series will continue this year on Zoom, and will be held on selected Tuesdays from 4-5pm. The goal of this webinar series is to provide a venue for the presentation of work in public economics and to bring together researchers in the field from the Southern African region and beyond. The series covers all areas of public economics and both theoretical and empirical work is welcome.

If you are interested in presenting your work as part of the series, please send a title and abstract to the series organiser Neryvia Pillay ([neryvia.pillay@uct.ac.za](mailto:neryvia.pillay@uct.ac.za)). Proposals from scholars who are early in their careers and researchers from under-represented groups are especially welcome.

Please include a list of your 3 preferred presentation dates, beginning in March. Proposals should be submitted by the end of February 2020.
