

ERSA workshop on “Competition Policy and Regulation in Digital Markets”

Stellenbosch, 30th September – 1st October

Call for papers

A 2-day ERSA workshop will take place on 30th September and 1st October 2022 in Stellenbosch. During the workshop prominent academics working in the field of Industrial Organization and Digital Economics will provide short lectures on relevant competition and regulatory issues in digital markets. In the remaining time, workshop participants will present their research and discussion papers. We welcome theoretical, empirical as well as policy-oriented submissions to discuss recent contributions.
